Not all companies are alike, and not all safety programs work for everyone. Customization is key, and customization is exactly what you'll get from this class!

Packed with practical safety tips, experience how **Safety Pays** will protect your employees on the jobsite and put money in your pocket. Remember, jobsite safety is the responsibility of all owners, employees, and subcontractors on today's construction sites.

**By attending this course focused on fall protection, you will be able to:**

- *Recognize fall hazards*
- *Comply with OSHA standards for fall protection*
- *Reduce fall hazards or avoid them completely*
- *Anticipate what to expect from an OSHA inspection*

This course is Master Builder approved.

**Register today – limited space available!**
